Amendments to the Claims

Please amend claims 15-17 as follows:

B1  
15. (Currently Amended) A package of texturized glass strand comprising:  
a container having a removable closure; and  
a glass strand disposed in said container in a texturized, coiled form, wherein said  
glass strand can be withdrawn from said container when said closure is removed.

16. (Currently Amended) The package of claim 15, wherein said glass strand has  
be coiled form substantially along its length in said container.

17. (Currently Amended) The package of claim 16, wherein said glass strand is  
disposed in said container in a series of layers.

18. (Original) The package of claim 15, wherein said container is a corrugated box.
